If the Client does not provide such instructions promptly, clearly and in an intelligible form, the Company may, at its absolute discretion, ask the Client to confirm the instruction in writing, in such form as the Company may request, before it acts on it, or take such other steps at Client's cost as the Company considers necessary or desirable for its own or Client protection, or take no action on Client's instructions. The Company is not obliged to accept instructions to enter into a Transaction unless it is required to do so by any Applicable Regulations. If the Company declines to enter into a Transaction, it is not obliged to give a reason.
- 8.7 The Client acknowledges and agrees that the Company shall be entitled to record all communications between the Client and the Company or any representative thereof and maintain such records at its discretion and without further notice (unless otherwise provided by Applicable law).
- 8.8 The Company reserves the right, at its absolute discretion to confirm in any manner that it may determine the instruction and/or Orders and/or communications sent through the Trading Platform. - 8.9 The Client has the right, at his own risk, to use a Power of Attorney to authorize a third person (representative) to act on behalf of the Client in all business relationships with the Company as defined in this Agreement provided that:

Unless the Company receives a written notification from the Client for the termination of such representative authorisation, in such a manner as the Company may at any time determine, the Company may continue accepting instructions and/or Orders given by the such representative on behalf of the Client, and the Client shall recognise such Orders as valid and binding. The written notification by the Client for the termination of the authorisation of the representative must be received by the Company with at least 2 (two) Business days' prior notice.
The Company reserves the right at its discretion and without notice to the Client, to refuse to accept instructions from any authorized person and to consider the appointment of any such authorized person as terminated. - 8.12 The Client's orders are executed at the "BID"/"ASK" prices which the Client can see in the Electronic Trading Platform, as applicable. The Client places his/her order at the prices he/she sees on his/her Client terminal and the execution process is initiated. Normally the transaction is executed at the prices the Client can see on his/her Client terminal. Due to the high volatility of the markets as well as the internet connectivity between the Client terminal and the server, the prices requested by the Client and the current market price may change, during the confirmation process.

A Margin Call may be based upon a number of factors, including without limitation, Client's overall positions with the Company, Client's Account size, the number of Open Margin Transactions you have, the volume traded, Client's trade history, and market conditions.
- 10.9 No previous Margin requirements specified by the Company shall preclude increasing the rates of Margin without notice. It is the Client's responsibility to monitor at all times the amount deposited in the Client's Account against the amount of any Margin that may become necessary.
